

TUMPUDI AUTOMOTIVE
INNOVATION IN ELECTRIC MOBILITY

GO FURTHER. WORRY LESS.

Electric mobility built around
the way India actually travels.

150+ km
Pure Electric
Range*

400+ km
Extended
Capability*

₹12-1.5 Lakh*
Target Price

Electric. Extended. Anywhere.

LIFE DOESN'T ALWAYS GO AS PLANNED.

Today it's 20 km to the office.
Tomorrow it's an unexpected trip.

**Friend: "Coffee?
Let's go to that
new place!"**

What was 20 km,
becomes 80 km.

**Unplanned trip?
A sudden ride to
a nearby town?**

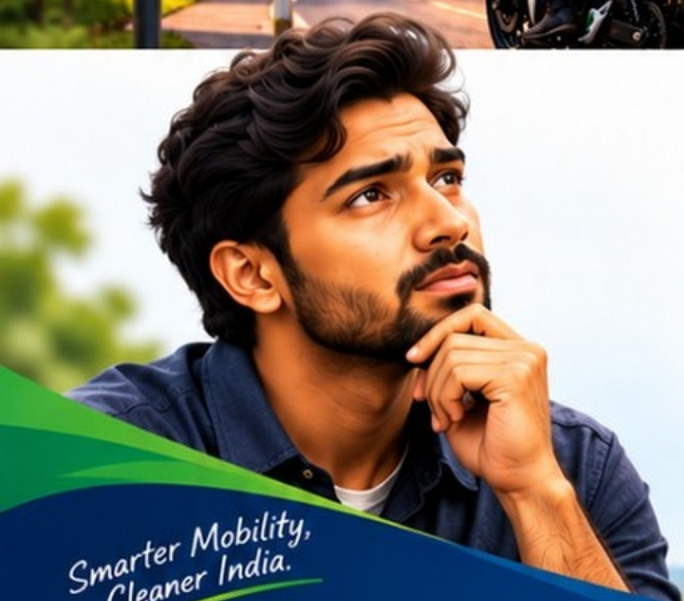

Weekend plans
often become
longer journeys.

**What if there's
no charger nearby?**

You don't want
to stop, wait or
change your plans.

For these moments,
do we really need to carry
mental baggage and
sacrifice our freedom?

**WITH TUMPUDI,
YOU DON'T HAVE TO.**

ELECTRIC WHEN YOU WANT IT. EXTENDED WHEN YOU NEED IT.

A smart hybrid (REx) electric motorcycle that gives you the freedom to choose.

1 MOST DAYS – RIDE ELECTRIC

Use battery power for your everyday travel.
Quiet, smooth and low running cost.
